One Hour
Clairvoyant Reading
with Ali Sweeney

A Light
Insight

Each and every one of us has a light within us, the very essence of ourselves. But we do not always have the tools to find it and clear away the energy that hides it. Ali Sweeney offers clairvoyant readings to help you hear yourself, start to clear energy that isn't serving you, and empower you to live the life you choose.

Ali is a professional clairvoyant reader and is certified by the Inner Connection Institute in Denver. As a trained psychic, she can be trusted to see you in your highest form and communicate clearly the information she sees related to your questions. Be prepared for your session with questions about your relationships, money, health, career, family, or other intentions.

This certificate entitles you to a one hour phone reading. To schedule your appointment contact Ali at 303-881-1928 or alightinsight@gmail.com or on the website. For more information, visit www.alightinsight.com
